2. Download the **iGive** button on all your devices to automatically help the dogs. Rescue gets a percentage of your purchases. FREE for you! Not much information is required at sign up, and you control the frequency of emails you'll receive.
3. **Volunteer!** We've got opportunities to fit your schedule and your talents. Requirements? Commitment and love for the breed! Already a volunteer? Thank you for all you do! We love having you in our community and hope to see more of you.
